Good afternoon Mr. Schappaugh!

We conducted a search of the months and years provided for the articles that were missing dates.

We were able to find

1. June 21st, 1990
 - a. "Gun Was Teacher's"
 - b. Obituaries
2. August 16th, 1990
 - a. "Schoolteacher Found Slain"

We were not able to find these 2 articles:

1. "Questions Remain Two Years After Teacher's Death"
2. "Reward Offered In Murder Case"

Our student assistant has been a massive help in finding these articles! There are some other microfilm rolls that we can explore further, though that will take a little bit more time.

She also found that September 2nd and 4th are missing, along with September 14th.

Please let us know if you have any other comments, questions, or concerns!

Thank you so much for your patronage!
