Hi Paul,

You are very welcome – we are glad to help. The info at number 27 does still show homicide. The only thing different at top is the state file Number which reads “033892”. When we submitted our ticket to the State Office of Vital Records the file number listed reflected the 1990GA000033892.

If you would like to request a certified copy, you are welcome to stop by the office in person or request by mail.

Good luck with everything !

Thanks and take care,
